

## Create a SendGrid Account

Team ID	PNT2022TMID05098
Project	Containment Zone Alerting Application

**Step 1:** Login to SendGrid page

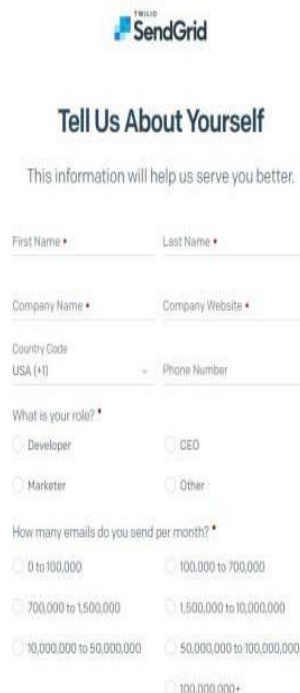

or

Signup and create a new account - <https://signup.sendgrid.com/>

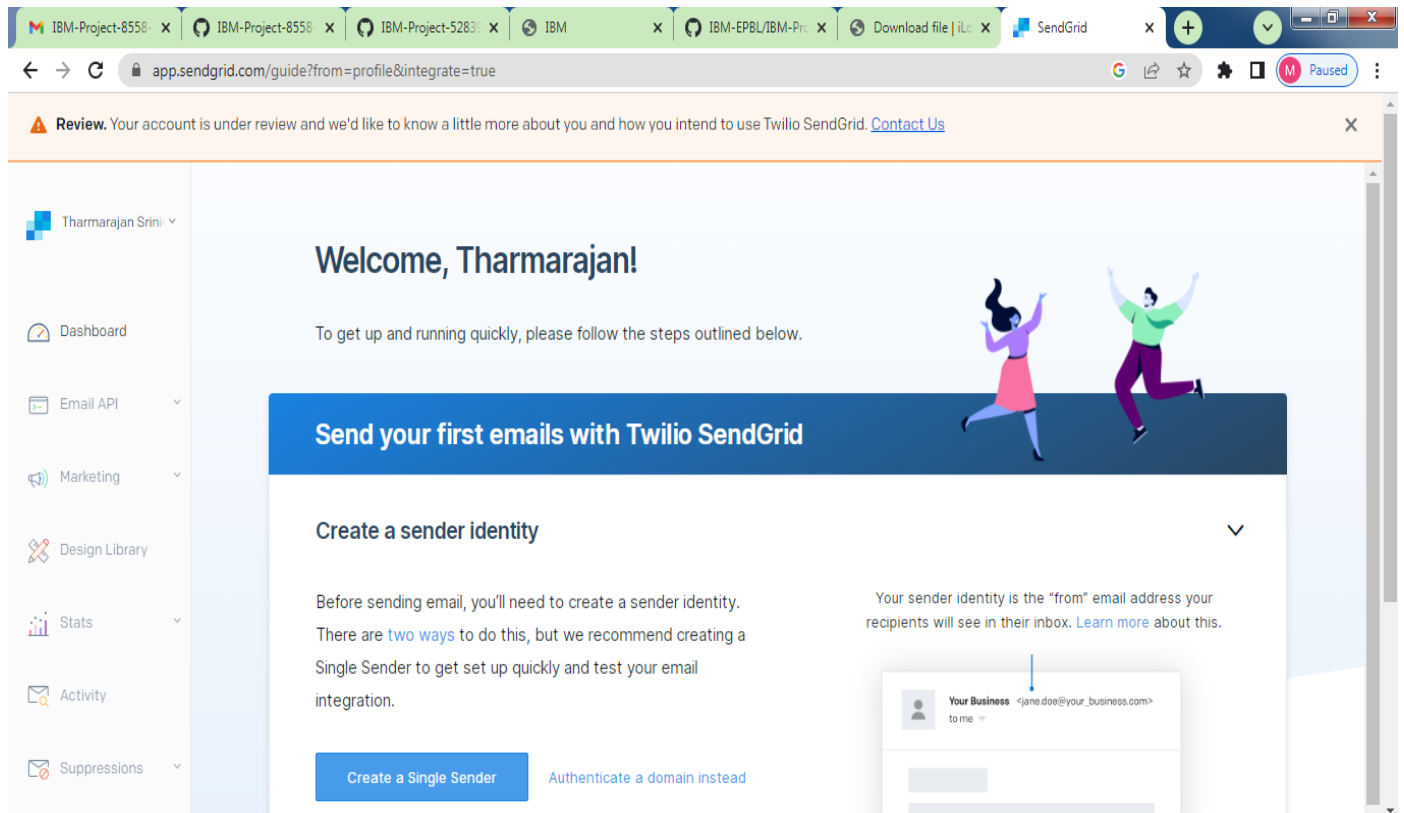

The screenshot shows the SendGrid 'Let's Get Started' signup page. The page has a light blue background. On the left, there's a form with fields for 'Email Address' (filled with 'hemarosh7@gmail.com'), 'Password' (masked with dots), and a checkbox for 'Use email address as username'. Below the password field is a reCAPTCHA 'I'm not a robot' box. At the bottom of the form is a 'Create Account' button. On the right, there's a white box titled 'Try it out!' with the text 'Send email for free.' and a list of features: 'Automated drip campaigns', 'Password resets', 'Newsletters', 'Receipts', 'Delivery notifications and updates', and 'Promoted emails'. A yellow paper airplane icon is shown flying from the top right towards the 'Try it out!' box. The browser's address bar shows 'signup.sendgrid.com'.

**Step 2:** Get started after filling the details about yourself

The screenshot shows the SendGrid 'Tell Us About Yourself' page. The page has a light blue background. At the top, there's a heading 'Tell Us About Yourself' and a subheading 'This information will help us serve you better.' Below this, there are several form fields: 'First Name', 'Last Name', 'Company Name', 'Company Website', 'Country Code' (set to 'USA (+1)'), and 'Phone Number'. There are also radio buttons for 'What is your role?' with options 'Developer', 'CEO', 'Marketer', and 'Other'. At the bottom, there are radio buttons for 'How many emails do you send per month?' with options: '0 to 100,000', '100,000 to 700,000', '700,000 to 1,500,000', '1,500,000 to 10,000,000', '10,000,000 to 50,000,000', '50,000,000 to 100,000,000', and '100,000,000+'. A 'Privacy - Terms' link is visible in the bottom right corner.

### Step 3: SendGrid Account is created and You are all set to begin with Sendgrid

The screenshot shows the Twilio SendGrid dashboard in a web browser. The browser's address bar displays `app.sendgrid.com/guide?from=profile&integrate=true`. A notification banner at the top states: "Review. Your account is under review and we'd like to know a little more about you and how you intend to use Twilio SendGrid. [Contact Us](#)".

The left sidebar contains the user's name "Tharmarajan Srin" and a list of navigation items: Dashboard, Email API, Marketing, Design Library, Stats, Activity, and Suppressions.

The main content area features a welcome message: "Welcome, Tharmarajan!". Below this, it says: "To get up and running quickly, please follow the steps outlined below." A large blue banner reads "Send your first emails with Twilio SendGrid".

The primary task is "Create a sender identity". The instructions state: "Before sending email, you'll need to create a sender identity. There are [two ways](#) to do this, but we recommend creating a Single Sender to get set up quickly and test your email integration."

Two options are provided: a blue button labeled "Create a Single Sender" and a link labeled "Authenticate a domain instead".

Additional text explains: "Your sender identity is the 'from' email address your recipients will see in their inbox. [Learn more](#) about this." An example email header is shown: "Your Business <jane.doe@your\_business.com> to me".
